

TESTIMONIES.

"I praise God for His saving, sanctifying power, and for the Holy Ghost in His fullness, which I received a few days ago; since which I pray, sing and talk in other tongues as the Spirit gives utterance. Hallelujah to God!"—J. D. Melvin, Hector, Ark.

"God has reached out His dear hands away down south here, as I too have had this most glorious experience. Three of us were baptized, but one has gone out on the battlefield."—Fannie Spurlock, Summit, Miss.

"He for whom I long have waited has come. Last night at 10 o'clock in our little mission, I moved out and He moved in, and gave His own evidence, speaking with my poor tongue in two distinct languages. O it is glorious. What a night it has been. Very little sleep. The glory has been so great. O how I praise Him."—W. H. Standley, Watertown, N. Y..

"As soon as I began to read your paper, I began to shout and praise God, and began to shake so I could not read for some time. I will say I have been wonderfully filled with the Holy Ghost but have not received the speaking in tongues. Am still tarrying. I thought I would surely receive it yesterday while trying to read your paper. Every time I take it up, the thrills go through me, and I get so full to my throat. O it is of God. Bless His holy name. Glory!"—Mrs. J. M. Smith, Wolcott, N. Y.

"O how I praise my blessed Redeemer for all His goodness. He has saved me, baptized me with the Holy Ghost, and also four of my children. I thank His name. He met with us on July 26th at our family altar and poured out His Spirit, baptizing my little girl, Millie, with the Holy Ghost, and she sang and praised God in tongue for nearly an hour. O how we rejoiced and praised God. My eldest son received his baptism in the meetings in Seattle, but my husband and I were prevented from attending with us at our family altar. O glory to Jesus forever."—Mrs. E. A. Buckland, Silverdale, Wash.

"Last winter it was my happy lot to get one of your fair faiths, where I learned about the blessed Pentecostal baptism. I praise God in my heart. Give the blessed Holy Ghost in my home. Glory, glory to His precious name. He came in the 4th of March speaking in other tongues. Now I talk and sing as the Spirit gives utterance. Glory, glory to Jesus! He is my Savior, sanctifier, healer, my all in all. My two oldest daughters have received the Holy Ghost and talk and sing in other tongues."

"I have been out alone sick since I wrote you all last. The Lord has blessed me with a day of recovery. I am praising God for His keeping power that keeps me through health and sickness. Even through my darkest hours, the room was dark, but I was not alone. I was with the Father and strengthened me in faith. Many nights when everybody else would be asleep, I would be praying and praising the mighty power and fill all my heart so I could only say what good old David did in the 28 Psalm: Praise the Lord! Your carmine, O Lord, is reaching to the sky. Your lightnings are the fire in November. She held a few meetings here and the Lord wonderfully worked in the hearts of many. The fire and the fire is yet burning. Hallelujah! I am praising God for an Apostolic Mission in Littleton and we want you all to pray often for the missionaries. We are praying for your faith once delivered unto the saints."

Mrs. Daisy A. Wilkins, Box 46, Littleton, Colo.

The Lord graciously pardoned me of my sins. That was on Thursday evening at about midnight I was sleeping in the Street Mission. He wonderfully sanctified and anointed me, and I sang for about two hours in the upper room, it was the heavenly song that sounded like an angel! Then came the Lord baptised me with the Holy Ghost. When the campmeeting started, I was told by some people that because of that caused me to lose the sweetness out of my soul. I kept losing out and losing out until I lost all the sweetness I ever knew. I lost a backslider till one evening the Lord brought it out somehow that night. While I was praying to get saved, I was hearing the Lord in my heart for not keeping His commandments. I was hearing His heart before I could get saved. The next morning I said to Mama, "Mama, I must be saved."

proud as I did before.' But she said she did not think I was because she said justification gives you victory over these things, but sanctification takes them out. So after breakfast she and I went up on the hill to pray, and the dear Lord sanctified me, and He brought this scripture to my heart, 'It is finished.' And about ten minutes after, He baptized me with the Holy Ghost. Praise His dear name!"—Kathleen Scott, Winnipeg, Man., Can.

"Just a line to say that I received my Pentecost on Christmas day at Sunderland. O glory, glory! Worby is he I amb that was slain."—C. H. Hook, 23 Garloch Rd., Camberwell, London, S. E., England.

"Blessed be the name of the Lord. He is the same yesterday, today and forever. He has baptized me with the Holy Ghost and fire and spoken through me in tongues. How sweet it is to be completely swallowed up in His love and let Him have His way. I feel that we are but in the beginning of this "latter rain" and greater things are before."—C. E. Foster, 924 Kansas Ave., Topeka, Kans.

"While the Holy Ghost came into me with indescribable sweetness and power, I found myself absolutely alone and cut off from sect and society, friends and foes. I was alone in the world, and I was alone. He seemed to settle down in my inmost being, adjusting Himself to His new abode, and then He began to speak in a new tongue, then breaking out into singing while the melody rose in my ears. He gave utterance. This is an indescribable experience. It is an experience passed through to appreciate it. The Comforter has come. The Holy Ghost is here. He has come into my heart, and His experience possesses my entire being, and satisfies and fills unto the uttermost. The work is done and Pentecost stands upon the scene. I can testify upon the case."

— H. H. Lester, 24 Champion St., Carthage,

"Hearing that the Holy Ghost had come to Tampa, I started at once. And while praising God for allowing me to suffer persecution, the Holy Ghost fell upon me and filled me. I have been continually praising Him ever since."—Mary B. Simmons, Frostproof, Fla.

"Glory be to God forever! (On the 17th of July, God wonderfully baptized me with the Holy Ghost. The Blessed Comforter came in and testified for Himself: in another language. No tongue can express the glories I experienced then and am still enjoying. O how grand to do everything by the direct inspiration of the Holy Ghost! He gives me such direct messages from His Word and puts upon me special burdens of prayer in the Holy Ghost. I know He is going to lead me out to the foreign field."—H. May Kelly, Tampa, Fla.

"At the time I wrote you requesting prayer for my brother, the doctors and nurse said he would live for four days. I prayed the Lord to keep life in him till my letter could reach California. He was so low, so weak he could not speak above a whisper. I laid the anointed handkerchief you sent on his body in the name of the Lord, asking Jesus to raise him up for His own glory. He has been gaining ever since. He is now walking around in his room and sits at the table and eats heartily. I do praise the Lord for such a deliverance."—Miss H. A. Peck, Cashmere, W. Va.

"Dear ones, it is sweet for me to think of you all and your kindness to me while I was being baptized with the Holy Ghost and the Lord. He is giving great victory wherever He sends us in His name, many being baptized with the Holy Ghost and the baptism of fire. The work of God here has been great. What has put out because I believed that God did baptize me with the Holy Ghost? 77 years ago He did it and it just suits me. Glory in the Lord Jesus is coming. Take the bible and let it tell you what God has done for you. It is as if men have fired up for the Lord. Be strong in Him. (John. 4:1-10; 28.) Let the Lord lead you. He will give you strength, and singing the sweetest songs. He has sung hundreds of songs. I do not have time to write them down. But I will say the next will be new. Praise His name who sits under him shadow with great delight. He will give you more. —C.H. Mason
Washington, Miss., Nov. 23

"Some years ago, the Lord wonderfully saved my wife and I. Ten eight years ago my wife was sanctified, and two years later I was sanctified. We were both given education. I knew there was a hungering after more, and I knew that the Holy Spirit was in me. I was brought into the light of the baptism of the Holy Ghost about three months ago. But it was not until the 10th day of July, 1901, my son was saved, sanctified and filled, my daughter came in next, and then my wife. We were all sanctified and filled through the baptism of the Holy Spirit. All the meetings closed around my home, so I and my family went to a place about 10 miles from home, and stayed away. And on the 10th day of July, at 5 o'clock a. m. I went out to the tabernacle and preached the gospel of the Kingdom that day. At about 11 o'clock, I found myself trying over, simply trusting. He gave the baptism with wonderful manifestations of His power. I was filled with His love, and I sang, there were fifty-two who came through to Pentecost."—Mrs. M. W. Waidron, Nocatee, Fla.

THE SALVATION OF JESUS

"The Son of Man is come to seek and to save that which was lost." Luke 19: 10.
Jesus still saves today. O sinner, give your heart to Jesus and be saved. He hung, bled and died on Calvary's cross to redeem your soul from sin and hell. O He loves you and He is calling you to come home. Come home, poor sinner, come home.

I once was a sinner. I do not know that I was such a hard sinner but I was a sinner. I used to love Christ's people and to love the Word of God. I used to love Jesus. I do not know how I could know Him. I thought it was a feeling or imagination. I thought I was really in touch with God so strongly. But all of those thoughts, when I came to sum them up, were nothing. There was something in my heart that told me that I was not in the love and salvation of Jesus.

I used to love to go and hear God's Word. I used to love to go to church and to commence reading it. But I used to hate to read in the Bible where death was mentioned. I used to hate to read with fire and brimstone. Rev. 20: 4, 5. I used to say I would not like to go there. Then we read in Psalms 9: 17, "The wicked shall be as stubble. The fire shall consume them as stubble. And they shall not know it, because of the day of wrath, when he shall destroy them, saying, I will spend it." Will you spend it? Will you spend it? Will you spend it with God and His angels?

If you read in the 55th of Isaiah, you will find these words, "Ho, everyone that thirsteth, come ye to the waters, and eat: that hath no money, come ye, buy and eat. Yea, come, buy wine and milk without money and without price." Praise the Lord. O dear sinner, this is Jesus, this water. He is this milk and this honey. You can get Jesus Christ in your heart without paying for it. The blessed Holy Spirit calls you tonight and today to come and accept this water of life. O sinner,

He says, "Wherefore do you send money for that which is not bread, and your labor for that which saitheth not? O dear sinner, dear precious backslider, Jesus can satisfy your heart. You may spend all your money in getting fine raiment, the latest style, you may go to all the theaters, all the card parties, you may have a good position, you may be a good moral man or woman; but O dear beloved, that is not going to satisfy you. Your heart is still empty. The only thing which is satisfying, long-lasting and bring rest, peace, and joy only Jesus Christ the Son of God. O may you know Him. May you accept Him.

The prophet said, "And your labor for

that which satisfieth not. Hearken diligently unto me, and eat ye that which is good." Jesus Christ is the living bread that cometh

down from heaven, and if you eat of this Bread you will never hunger any more. Your soul will be filled with joy and gladness. Jesus says, "He that drinketh of this water shall never thirst." This is the water of life that runs through the ceaseless ages of eternity.

"Seek ye the Lord, while He may be found." There is a time coming when men will seek God and will be too late. He says in Proverbs 1: 26-28. "I also will laugh at your calamity; I will mock when your fear cometh; when your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you. Then shall they call upon Me, but I will not answer; they shall seek Me early, but they shall not find Me." O beloved, this is God's word.

Then He says again, "Come unto Me, and I will give you rest. Take My yoke upon you, and learn of Me; for I am lowly in heart: and ye shall find rest unto your souls. For My yoke is easy and My burden is light." But what is the yoke of Christ's yoke is easy, but the yoke of Satan is bondage; it is heavy. He makes you do things that you do not want to do, and dances for that which does not satisfy you, and he brings many aches to you. He will never satisfy you. You are enslaved to keep up with the crowd. But, O beloved, if you will take My yoke, it is easy. His burden is light. May God help you to give your heart to Jesus, and He will save you from telling stories, from gambling, playing cards, going to horse races, and all the things that are wrong, and everything that is sinful or devilish. The Lord Jesus Christ will cleanse you and He will give you a new body, and make you new.

He says, "Except a man be born again, he cannot see the kingdom of God. That which is born of the flesh is flesh and that which is born of the Spirit is spirit." The first birth makes us a creature. It is the physical birth; but the second birth is from above. It is the love of God shed abroad in our hearts by the Holy Ghost. It makes us a new creature in Christ Jesus. Old things are passed away and all things become new, so we become a new creature in Christ Jesus. God puts His love and joy into our hearts and we can sing Praise God, Glory to His name.

If you are a converted child, say you give God your heart and let Him sanctify you through His cleansing Blood. Jesus is praying today for your sanctification. He is praying that you will be like Him, that Thou shouldst take them out of the world, but that Thou shouldst keep them in the world, that they are not lost, even as I am not in this world. Sanctify me through Thy name: Jesus. Thy word is Thy glory to His all name. His Blood is the life of the world. Sanctify me. When God sanctifies you, you will love Him more than ever before, because there will be joy flowing like a river through your heart. When you get baptized, you can get the baptism of the Holy Ghost, and God will grant the signs to follow in speaking in tongues, casting out devils, laying hands on the sick and they will be healed. Amen.

WE CANNOT AFFORD IT

We cannot afford to sell our own small piece of ground in our hearts; because of we do, he will have right of way. He will take it all. He will keep him out to live in the Word, a holy Spirit-filled life. Many people today have a piece of ground in their hearts, a piece of their land which has been redeemed by the Blood of Christ. They have a piece of ground in their hearts, but they do not want to be cleansed, to be renewed, to be born, to be reborn, to be born again, to be born of the Spirit. He has sent us this blessed Gospel, the Word of God, the Word of Life, the power of the Holy Ghost; that they may be born again, and be sons of God. If the enemy finds there is no ground, if the enemy finds there is no life in us, he is going to come in various ways, and he is going to take it all. He will take our whole life. He will take our whole life, he will take our whole life. We should be like Jesus, when the enemy tried to take him, he said, "I will not bow down, telling Him what he would give Him, offering Him the whole world if He would not bow down and worship him." He would not bow down. And we have His statement that when Satan came, he found nothing in us. He found nothing in us, no right of way. O may we not bow down to him, with any terms with him, the Word, the flesh of the Word, the flesh of the Word.

A sanctified body is one that is cleansed from all sickness and disease. The Lord gives you the power over sickness and disease. You can be healed, and your body be preserved blameless. Some have a teaching that unless you have a sanctified body, you will be lost. But though you have not yet attained to your inheritance in the atonement of Jesus and have a body that is sanctified from all sickness, yet your body is not yet healed. But you are not to sin. Your body is the temple of the Holy Ghost if the Spirit of Christ is in you. You must be healed, you must be cured and get a perfectly whole, strong, and sound body that you may give Him glory for the salvation of spirit, soul, and body. That does not mean that you are complete. But you are whole. You must maintain the health and healing of your body just as for your soul, body, and spirit.
